

PLAYER POLICY RE FANTASY RUGBY

-STARTS-

Both current and former professional players will be asked to both participate in and promote the Fantasy Rugby partnership, for the benefit of Restart, the Rugby Players' Charity.

No player will be asked to pay any form of entry fee. There will also be no prospect of them receiving monetary or other prizes as a result of their performance in the game.

Their role is purely to increase engagement from fans and increase funds raised for the charity.
